NIMBLE PRESS AGENTS

And Their Shrewd Tricks to Gain

the subject today as it was in the age have undertaken to explain the simple on a charge of grand larceny. lines along which they work. No one except their fellow-toilers has understood what they were talking or writing about The blackboard, primer or 'c-a-t spells

So says Glenmore Davis in beginning his primer lesson in our next Sunday Magazine about the devious and wonderful ways of the nimble press agent. This member of the journalistic profession is omnivorous and permanent, for without him publicity, as now understood, would be next to impossible, and the news of many of the big things in newest suburb, all need the press agent, and without him they would remain

Scattered through Mr. Davis' article are no end of bully stories of stunts put over by press agents, some of which are Among these is the tale of the press the papers. This was when a lot of elephants escaped from the New York Hippodrome and sped down the street, dire dangers among the helpless public, If this had got into print it would have meant a tremendous loss to the box office, and so William G. Thompson, veteran newspaper editor, acting as publicity man for the institution, instant'y sent to every paper in town a "masterpiece in hyperbole and wild-eyed exaggeration, and at the very thought of it Baron Munchausen, Scheherezade, Daniel Defoe, Jacques Casanova and Ananias must have flopped in their graves." Of course, the keen city editors threw the story into the waste basket as a pipe dream and false from beginning to end; not a word concerning the barely averted frightful tragedy got into print. Incidentally Thompson's sal-

FOR STAR'S BIG PRIZE DEVELOPING HOLY LAND ALONG Robert Pyle Suggests One On

Officers of Widely Known Organizations Enter the Contest for Subscriptions.

Star's \$5,000 gold coin competition, two women, officers of widely known organizations, have entered the lists. The possibilities of an organization working for Star subscriptions is beyond computation, for the strength of an organization lies in the spirit of its members, rather than in plain numerical strength. The two entries mentioned are those of Mrs. of Lady Maccabees, Lodge, No. 3.

Opportunity for Students.

These two contestants were but two of the large list entered today. Among them was a fourteen-year-old boy from the Wallach School, Elmer Thompson, 519 8th street southeast.

Boys and girls will have an easy time n The Star's competition, as the conditions of the contest make it just as possible for a school boy to win a prize as for a trained solicitor. The fact that no paid-in-advance subscriptions are asked for makes it easy for the amateur solicitor, such as the school boys and school girls who have set their minds on some of the bright gold money which will be paid out to those who turn in the greatest number of new names to The Star's

Contestants Entered Today. The contestants whose names were en-
